

EAST AFRICAN SCHOOL OF AVIATION

ICAO Platinum Training Centre of Excellence (TCE)

TRAINING PROGRAMME 2026

ABOUT EASA

East African School of Aviation (EASA) is the training directorate of Kenya Civil Aviation Authority (KCAA). The school is established on 87 acres of land; 15km East of the city of Nairobi and about five minutes' drive from the Jomo Kenyatta International Airport. EASA was founded in 1954 to provide training for Telegraphic and Teleprinter operators and was expanded in 1960 to cater for Engineering Technicians and Air Traffic Controllers. In July 1963, the operations of EASA were entrusted to International Civil Aviation Organization (ICAO) and later came under the East African Community (EAC). In 1982, the present modern school was built and has the capability to train all major specialized areas of civil aviation except pilot training.

EASA is committed to offering competency - based training and ensuring that our graduates have the requisite Knowledge, Skills and Attitude for the rapidly growing aviation industry. The courses are delivered by competent instructors who are leaders in their fields of expertise.

Vision: To be the global aviation training Centre of Choice.

Mission: Effectively offering quality training that meets the needs of the global aviation industry by optimally leveraging resources.

Values: Excellence - Integrity- Resilience - Professionalism - Responsiveness
